How to MOUNT a COMPLETE FLUSH MOUNTING DEVICE

To order a product, you have to:

1) Select the Reference of:

- the **Mechanism** of the function that you need;
- the **Frame** of the chosen Series finishing;
- the **Rocker/Cover Plate** applicable to the chosen mechanism in the selected Series.

Ex: 21011 + 90910 TYY + 90601 TYY

2) Choose the Finishing:

Add to the **Frame** and **Rocker/Cover Plate** references a two-letter suffix corresponding to the finishing you need.

FUNCTIONS (EXAMPLES)	Ref. MECHANISM	Ref. FRAME	Ref. ROCKER/COVER PLATE
Single Pole Switch	21011	XX910 TYY	XX601 TYY
Motion Detector of 400W	21402	XX910 TYY	XX401 TYY
Two Circuits Switch	21061	XX910 TYY	XX611 TYY
Two-Way Switch	21071	XX910 TYY	XX601 TYY
Double Two-Way Switch	21101	XX910 TYY	XX611 TYY

NOTE:

“XX” - Replace by the corresponding number of the chosen series (LOGUS - **90**; Sirius - **70** and APOLO - **5000**).

“YY” - Replace by the corresponding two-letters suffix of the chosen finishing.
